Zoppo's Catering Service was founded on the belief that affordable catering and quality food can be used in the same sentence. Chef Zoppo started out as a dishwasher and line cook at the age of 14 and has always had a passion for the industry ever since. He learned the finer art of catering from lifelong friends and chefs at Monoosnock Country Club where he is located to this day. With the help of family and friends Zoppo's Catering Service will make your event planning a little easier.

If you are looking for us to host your event, please contact Nicole Shell of Monoosnock Country Club at monoosnockcc@outlook.com for a hall booking. Monoosnock Country Club can host events of all types and can accommodate up to 200 guests. It features a spacious dance floor in front of a large double-sided stone fireplace.
